End-to-end support for one week via phone, mail and chat

**PEOPLE FIRST AWARENESS TRAINING**

# Importance of People First Awareness Certification

- ① People First Awareness Training is a half-day foundation session that brings your team together around the power of improvement.
- ① Through real project showcases, a concise overview of LSS tools, and collaborative discussion, this training cultivates awareness, boosts staff engagement, and fosters curiosity for deeper learning.
- ① Participants receive a Certificate of Attendance, and organizations open the door to future capability-building—one initiative at a time.
